

# CHRISTIAN WOO

## Offset Bench

The Christian Woo Bench Series is produced from 2.25" thick solid hardwood. The product is made from full length boards, allowing for long uninterrupted flowing grain. The benches are constructed using internal joinery, and the solid board length material provides the integral strength to span the given lengths. The pieces are glued and clamped together to form a single body.

Design features are guided by the right angle base, and opposing end storage case with a discreet, routed finger pull to open. The drawer case is produced with the same solid wood, and contain a finished solid wood interior.

All woods are FSC Certified. Standard with Matte Oil Hand Finish. Fully Assembled.

Hand-crafted in Vancouver, Canada  
Hardware Produced in Germany

## Offset Bench Series : No Case

# CHRISTIAN WOO

Commercial Application Finish: Add 10%  
Low-Sheen, Low VOC, Acrylic Polyurethane
