

CHRISTIAN WOO

Platform Bed

The Christian Woo Platform Bed is produced with 2" thick solid hardwood. The design features include a grounded, Japanese-inspired design with a low-profile headboard and a generous surround. The beds are constructed using internal joinery, solid board length material and solid ash slats.

Available in solid Black American Walnut, White Washed Ash, and Blackened Walnut. All woods are FSC Certified.

Ships in several, easy-to-assemble pieces.
